- **Antelope, Elk and Bighorn Sheep Applications**---Use drawing applications and hunt codes from the 2000 BIG GAME HUNTING booklet located at <http://www.dfg.ca.gov/licensing/biggame/huntbook.html>. No more than two resident hunters may apply together as a party for antelope and elk drawings. Residents and nonresidents may apply individually for the bighorn sheep drawing but only one nonresident may be drawn. Applications for antelope, elk and bighorn sheep drawings must be received (not postmarked) at the Department's License and Revenue Branch in Sacramento by 5:00 p.m., Friday, **June 2, 2000**.
- **Deer Tag Applications**---Residents and nonresidents may purchase a one-deer tag application and a second-deer tag application using the check list on the back of this form. Enter up to three tag choices each in the **One-deer Tag** and **Second-deer Tag** on page 3 of this form.

**Premium Deer Tag Drawing**---To participate in the Department's annual drawing for premium deer tags (X zones, Additional Hunts and Area-specific Archery Hunt tags), your mail order application must be received (not postmarked) at the License and Revenue Branch in Sacramento by 5:00 p.m., June 2, 2000. You must purchase a one-deer tag application to take part in the drawing (except junior hunters, which may use a second-deer tag application to apply for junior hunts if they have already used their one-deer tag application to apply for other zones or hunts). One-deer tag application requests received after June 2 will be eligible for leftover premium tags available beginning July 3 (second-deer tag application requests may also be submitted for leftover Area-specific Archery Hunt tags at that time).

**Deer Tags Issued On Request**---One-deer tag application requests for A, B, C and D zones and Archery-only tags will be processed immediately upon receipt. Second-deer tags for A or B zones, or Archery-only will also be issued upon receipt. Second-deer tag application requests for zone C, any D zone, or unfilled Additional Hunt will not be processed until September 5.

- **Bear Tags**---Resident and nonresident hunters may order one tag from the check list on page 2 of this form. Regulations require early closure of the bear hunting season if the number of bear reported killed reaches 1,500. Tag holders will be notified by mail.
- **Wild Pig Tags**---These tags can be ordered from the check list on page 2 of this form. (There is no limit on the number of pig tags you may purchase, but tags are nonrefundable and nontransferable.)
